- E. Pending Litigation. The Recipient has disclosed in writing to County all proceedings pending (or to the knowledge of Recipient, threatened) against or affecting Recipient, in any court or before any governmental authority or arbitration board or tribunal, that, if adversely determined, would materially adversely affect the Project or the ability of Recipient to perform all obligations required by this Contract.

SECTION 6 - COVENANTS OF RECIPIENT

The Recipient covenants as follows:

- A. Notice of Adverse Change. The Recipient shall promptly notify County of any adverse change in the activities, prospects or condition (financial or otherwise) of Recipient or the Project related to the ability of Recipient to perform all obligations required by this Contract.
- B. Compliance with Laws. Recipient will comply with the requirements of all applicable federal, state and local laws, rules, regulations, and orders of any governmental authority, except to the extent an order of a governmental authority is contested in good faith and by proper proceedings.
- Recipient is responsible for all federal or state taxes applicable to compensation or payments paid with the Grant.
- C. Federal Audit Requirements. The Grant is federal financial assistance, and the Catalog of Federal Domestic Assistance ("CFDA") number is 21.019. Recipient is a sub-recipient.

 - (3) Recipient shall save, protect and hold harmless County from the cost of any audits or special investigations performed by the Federal awarding agency or any federal agency with respect to the funds expended under this Contract. Recipient acknowledges and agrees that any audit costs incurred by Recipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Recipient and County.
 - (4) Recipient is responsible for seeking reimbursement of costs that are eligible costs under the CARES Act. County's reimbursement of submitted costs does not preclude County from later recovering those costs from Recipient if the U.S. Department of the Treasury disallows the costs after an audit.

In accordance with the Chief Financial Office's Oregon Accounting Manual, policy 30.40.00.104, County has determined: Recipient is a sub-recipient for purposes of 2 CFR 200.330.
- I. Operation and Maintenance of the Project. Recipient shall operate and maintain the Project in good repair and operating condition so as to preserve the long-term public benefits of the Project, including making all necessary and proper repairs, replacements, additions, and improvements for not less than ten years following the Project Close-Out Deadline.
- J. Sales, Leases and Encumbrances. For a period of not less than ten years following Project Close-Out Deadline, except as may be specifically described in Exhibit A (Project Description), Recipient shall not sell, lease, exchange, abandon, transfer or otherwise dispose of any substantial portion of or interest in the Project, unless worn out, obsolete, or, in the reasonable business judgment of Recipient, no longer useful in the operation of the Project.
- K. Financial Records. Recipient will cooperate with County to provide all necessary financial information and records to comply with CARES Act reporting requirements. Recipient will keep proper books of account and records on all activities associated with the Grant, including, but not limited to, invoices, cancelled checks, instruments, agreements and other supporting financial records documenting the use of the Grant. Recipient

will maintain these books of account and records in accordance with generally accepted accounting principles and will retain these books of account and records until three years after the Project Completion Deadline or the date that all disputes, if any, arising under this Contract have been resolved, whichever is later.

- L. Inspection. The Recipient shall permit County, and any party designated by County, the Oregon Secretary of State's Office, the federal government and their duly authorized representatives, at any reasonable time, to inspect and make copies of any accounts, books and records related to the Project. The Recipient shall supply any Project-related information as County may reasonably require.
- M. Notice of Event of Default. The Recipient shall give County prompt written notice of any Event of Default, or any circumstance that with notice or the lapse of time, or both, may become an Event of Default, as soon as Recipient becomes aware of its existence or reasonably believes an Event of Default is likely.
- N. Indemnity. To the extent authorized by law, Recipient shall defend (subject to ORS chapter 180), indemnify, save and hold harmless County and its officers, employees and agents from and against any and all claims, suits, actions, proceedings, losses, damages, liability and court awards including costs, expenses, and attorneys' fees incurred related to any actual or alleged act or omission by Recipient, or its employees, agents or contractors, that is related to this Project; however, the provisions of this section are not to be construed as a waiver by County of any defense or limitation on damages provided for under Chapter 30 of the Oregon Revised Statutes or under the laws of the United States or other laws of the State of Oregon. This provision is not to be construed in a way that Recipient's obligations would constitute debt that violates Section 10, Article XI of the Oregon Constitution.

SECTION 7 - DEFAULT

Any of the following constitutes an "Event of Default":

- A. Misleading Statement. Any material false or misleading representation is made by or on behalf of Recipient, in this Contract or in any document provided by Recipient related to this Grant or the Project.
- B. The Recipient fails to perform any obligation required under this Contract, other than those referred to in subsection A of this section, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by County. County may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action.

SECTION 8 - REMEDIES

Upon the occurrence of an Event of Default, County may pursue any remedies available under this Contract, at law or in equity. Such remedies include, but are not limited to, termination of County's obligations to make the Grant or further disbursements, return of all or a portion of the Grant amount, payment of interest earned on the Grant amount, and declaration of ineligibility for the receipt of future awards from County. If, as a result of an Event of Default, County demands return of all or a portion of the Grant amount or payment of interest earned on the Grant amount, Recipient shall pay the amount upon County's demand. County may also recover all or a portion of any amount due from Recipient by deducting that amount from any payment due to Recipient from the State of Oregon under any other contract or agreement, present or future, unless prohibited by state or federal law. County reserves the right to turn over any unpaid debt under this Section 8 to the Oregon Department of Revenue or a collection agency and may publicly report any delinquency or default. These remedies are cumulative and not exclusive of any other remedies provided by law.

In the event County defaults on any obligation in this Contract, Recipient's remedy will be limited to injunction, special action, action for specific performance, or other available equitable remedy for performance of County's obligations.

SECTION 9 - TERMINATION

In addition to terminating this Contract upon an Event of Default as provided in Section 8, County may terminate this Contract with notice to Recipient under any of the following circumstances:

- A. The Oregon Department of Administrative Services notifies County of an anticipated shortfall in applicable revenues or County fails to receive sufficient funding, appropriations or other expenditure authorizations to allow County, in its reasonable discretion, to continue making payments under this Contract.
- B. There is a change in federal or state laws, rules, regulations or guidelines so that the Project funded by this Contract is no longer eligible for funding.

This Contract may be terminated at any time by mutual written consent of the parties.

SECTION 10 – LIABILITY, INDEMNIFICATION

County has relied upon the ability, qualifications, and training of Recipient as a material inducement to enter into this agreement. Recipient warrants that all of his services will be performed in accordance with generally accepted practices and standards as well as the requirements of applicable federal, state, and local laws, it being understood that acceptance of Recipient's work by county shall not operate as a waiver or release of any claim. Recipient shall defend, indemnify, and hold harmless County, its officers, agents, and employees from any claims, liabilities, demands, damages, actions, or proceedings, arising from or relating to the negligence of Recipient in connection with the performance of any services hereunder. Notwithstanding the foregoing, where applicable, Recipient shall be deemed an agent of County, for the sole purposes of a tort liability pursuant to the Oregon Tort Claims Act, ORS 30.265. The recipient must, in addition to the insurance requirements in this section, also comply with the insurance requirements in Exhibit E for subgrantees.

Recipient shall provide a certificate of coverage at the time of execution of this agreement, indicating proof of insurance coverage with limits not less than the following:

Property Damage:	\$1,000,000 (one claimant)
	\$2,000,000 (all claimants)
Personal Injury or Death:	\$2,000,000 (one claimant)
	\$2,000,000 (all claimants)

Such insurance shall be on an occurrence basis only and be evidenced by a Certificate of Insurance provided to the County, indicating coverages, limits, and effective dates, by an insurance company licensed to do business in the State of Oregon. An endorsement shall be issued by the company showing the county as an additional insured on all coverages. The endorsement shall also contain a notice of cancellation provision.

In addition to the insurance requirements in Section 10 of this Contract, Recipient shall also comply with all insurance requirements in Exhibit E. The Certificate of Insurance provided to the County by Recipient shall indicate coverages, limits, and effective dates that comply with the insurance requirements in Exhibit E.

SECTION 11 - MISCELLANEOUS

- A. No Implied Waiver. No failure or delay on the part of County to exercise any right, power, or privilege under this Contract will operate as a waiver thereof, nor will any single or partial exercise of any right, power, or privilege under this Contract preclude any other or further exercise thereof or the exercise of any other such right, power, or privilege.
- B. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Contract, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Contract shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Tillamook County (unless Oregon law requires that it be brought and conducted in another county).

Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- C. Notices and Communication. Except as otherwise expressly provided in this Contract, any communication between the parties or notices required or permitted must be given in writing by personal delivery, email, or by mailing the same, postage prepaid, to Recipient or County at the addresses listed in Exhibit A, or to such other persons or addresses that either party may subsequently indicate pursuant to this Section.
- Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five (5) days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system or 2) the recipient's confirmation of receipt, whichever is earlier. Notwithstanding this provision, the following notices may not be given by email: notice of default or notice of termination.
- D. Amendments. This Contract may not be altered, modified, supplemented, or amended in any manner except by written instrument signed by both parties.
- E. Severability. If any provision of this Contract will be held invalid or unenforceable by any court of competent jurisdiction, such holding will not invalidate or render unenforceable any other provision.
- F. Successors and Assigns. This Contract will be binding upon and inure to the benefit of County, Recipient, and their respective successors and assigns, except that Recipient may not assign or transfer its rights, obligations or any interest without the prior written consent of County.
- G. Subrecipients. In the event funds are passed through the Recipient to subrecipients, the Recipient agrees to:
- Monitor subrecipients use of funds for compliance with the requirements of the Coronavirus Relief Fund;
 - Hold County harmless should a subrecipient use funds for an unallowed activity or unallowed cost; and
 - Reimburse County for any amounts passed through to a subrecipient that are determined to be unallowable.
- H. Counterparts. This Contract may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.
- I. Integration. This Contract (including all exhibits, schedules, or attachments) and the other Financing Documents constitute the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements, or representations, oral or written, regarding this Contract.
- J. No Third-Party Beneficiaries. County and Recipient are the only parties to this Contract and are the only parties entitled to enforce the terms of this Contract. Nothing in this Contract gives or provides, or is intended to give or provide, to third persons any benefit or right not held by or made generally available to the public, whether directly, indirectly or otherwise, unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Contract.
- K. Survival. All provisions of this Contract that by their terms are intended to survive shall survive termination of this Contract.
- L. Time is of the Essence. Recipient agrees that time is of the essence under this Contract.
- M. Attorney Fees. To the extent permitted by the Oregon Constitution and the Oregon Tort Claims Act, the prevailing party in any dispute arising from this Contract will be entitled to recover from the other its reasonable attorney fees and costs and expenses at trial, in a bankruptcy, receivership or similar proceeding,

and on appeal. Reasonable attorney fees shall not exceed the rate charged to County by its attorneys.

N. Public Records. County's obligations under this Contract are subject to the Oregon Public Records Laws.

The Recipient, by its signature below, acknowledges that it has read this Contract, understands it, and agrees to be bound by its terms and conditions.

2. Participant Targets: Homeless, Unstably Housed, Latinx
 - Number of Events held/attended 1
 - Projected Number of Attendees 125
3. Project Description: (please describe the project here, limit 2 pages)
 - a. CARE will be holding our annual Homeless Connect event as a vaccine site to provide access to our vulnerable populations who may not have immediate access to transportation or have other barriers to obtaining vaccinations.
