Re: Innovation Hub Grant Application

To Whom it May Concern:

This is a letter of support for the Innovation Hub grant application submitted by Tillamook Coast Visitors Association (TCVA), which represents Tillamook County and works closely with partners on Oregon's north coast.

TCVA has been working closely over the last three years with our small farms and fisheries, Port of Garibaldi and Port of Tillamook Bay, Oregon State University extension, Tillamook Bay Community College, Columbia Pacific Economic Development District, businesses such as Tillamook Creamery, Pelican Brewing and Astoria Food Hub, our county's Community Development department, and many individuals involved in workforce development, training, entrepreneurship and business development to form an innovation center for resilient regional food systems.

TCVA has been the recipient of Business Oregon Rural Opportunity Initiative grants and is currently using an ROI grant to develop an Innovation center business plan, facilities location plan, cost estimates, and organizational structure to manage the center. With a farm-based center and food hub at the Port of Tillamook Bay, the planned facilities will also support the port in its role as an evacuation center in case of a natural disaster. Port of Garibaldi will become a seafood-focused center with retail, training, processing and cold storage to support hardworking small fisheries.

Recognition by Business Oregon as an Innovation Center will help the north coast create jobs, new businesses, training center, expand regional markets, and help Oregon's north coast become a leader in local food systems development.

We encourage Business Oregon to recognize this application as a worthy recipient of Innovation Hub recognition.

Sincerely,

BOARD OF COMMISSIONERS FOR TILLAMOOK COUNTY, OREGON

Hi Jeff,

I've attached to this E-mail the justification for attending the conference that ESRI gives out. This may be helpful for the out-of-state travel paperwork.

I have also included a table with some possible flights and links to their corresponding information.

I've included two different return dates, the conference ends on that Friday, 6/15/2022, and I've included return flights for both Friday, 6/15/2022, and Saturday, 6/16/2022.

Please let me know if you have any questions for are unable to get to the flight info.

Thanks,

Benji

No problem! I believe that you have a personal day available, so that should be fine if you want to use that, otherwise we can make other arrangements. Did you put in the request for time off in ADP yet?

I'll ping Rhonda on CJIS and see if she at least has a timeframe on how long they are taking these days.

Coincidentally, I got the information I needed on how to request out-of-state travel today, so I'll be able to get that put on the agenda for Wednesday a week and a half from now. I think it's probably safe to register for the conference, as we have the money and it will benefit the County for you to attend and soak up all of that information.

Subject: RE: A Couple of Questions

Hey Jeff,

Just got your reply, I can still swing by if you like, but I thought maybe this could just be an e-mail and wrote this up.

1. I discussed with Damian a couple weeks ago about taking next Friday (4/15) off, it is a religious holiday. I was told by Damian that it shouldn't be a problem. Just wanted to bring it up with you so it is on your radar.
2. Any updates on CJIS? I was hoping that it would be possible to start working partially remotely soon (this week?). Most of the work that I have been working on recently haven't necessarily needed to be connected to the network and can be done remotely. I'll manage my workload to prioritize work that needs network connections when I'm onsite for the time being until I'm authorized to access the VPN. Please let me know what you think.
3. ESRI User Conference. I've done some calculations that include conference registration, airfare, hotel, and transportation to and from the airport, comes out to about \$2,000 + per diem per person. This estimate comes from using the higher end of the estimates and the actual price is likely to go down. If you think that it is likely

that we will go, I can go ahead and move forward with the conference registration since that is of no cost to the county.

Below are some more details in table form.

Unit	Cost	Summary
ESRI User Conference Registration		\$0 3 Complimentary Registrations Valued at
Airfare (Round Trip)/Person	\$300-\$400	PDX-> SD : SD ->PDX July 10 - July 15
Hotel/Night	\$200-\$300	5 nights July 10-July 14
Food	Standard per Diem	5 nights July 10-July 14
Taxi from Airport to & from Airport		\$40 From airport to convention center. Depe
Total per Person	\$400 + (\$300x5Nights) + \$40 + Per diem	\$1940 + Per diem

Benji

TILLAMOOK COUNTY

REQUEST APPROVAL FORM TO UTILIZE EMPLOYEE/AGENT
PRIVATE VEHICLE FOR COUNTY BUSINESS
APPROVAL REQUIRED PRIOR TO USAGE OF PRIVATE VEHICLE

Destinations:

TO: PORTLAND FROM: TILLAMOOK

I request approval to use my private vehicle on 7/20/2022 to 7/25/2022 for
Tillamook County business purpose of:
DRIVING TO PORTLAND AIRPORT TO FLY TO NACO ANNUAL CONFERENCE

Reason for using private vs. County owned vehicle is:
PERSONAL USE OF VEHICLE OUTSIDE OF MEETING

I am (X) am not () requesting mileage reimbursement. Insurance terms remain the same
whether or not mileage payment is requested. This form must accompany the
reimbursement request.

Personal or Private Vehicle Liability. If you authorize your employees/agents to use a personal
or private vehicle on County business, he/she is responsible to carry the minimum liability insurance
required by law (must provide proof before department head/designee approval). If employees operate a
personal or private vehicle on County business, their personal liability insurance policy is primary and
County coverage is excess. If the amount of liability to third parties exceeds their private policy limits, the
County will provide excess liability coverage.

The County does not cover collision or comprehensive insurance for personal vehicles. When utilizing a
personal vehicle for County purposes, the employee/agent is 100% responsible for collision or
comprehensive damage incurred to the vehicle.

The rationale of having County employees/agents complete a vehicle usage form is for their own
knowledge pertaining to County vehicle coverage, and liability protection from the County. Plus, the
signed form may give their department head/designee a heads up as to who will be using their own vehicle
on County business and committing department funds when claiming reimbursement for personal vehicle
mileage. The signing of the personal vehicle usage document will inform the County employee/agent that
their insurance is the first to be used in the event of a vehicle accident. Each department should keep a
copy of the signed form on file.

If involved in an accident while on official County business, I will advise the Human Resources
Department within twenty-four (24) hours by calling 503-842-3418.

Isabel,
Thanks for doing this for me. Could you please book me into the Gaylord hotel in a king room from Wednesday July 20 checking out Monday July 25. This Gaylord is pretty small and rooms could get sold out quickly. Thanks in advance.
