Portland Airport Long Term Parking

Close to the tunnels that link to the north and south terminals at Portland Airport, the long-term parking garages can accommodate more than 4000 vehicles, including 10 EV charging stations and ample disabled parking spots. The rates for parking at this on-site facility are \$3 per hour or \$24 per day.

For the budget-conscious traveler or passengers on longer trips from Portland Airport, the Economy parking lots on-site at PDX offer a more affordable option for long-term parking. With a free shuttle bus service connecting the lots to the terminal building running 24 hours a day, it is a popular choice for many PDX customers. The rate for economy parking is \$3 per hour or \$12 per day, and the 7th day of your stay is free.

We'll help you get to Nashville, TN with our Justification Toolkit!

Many travel and training budgets have been reduced, which means that regardless of the merits of attending RISE22, you'll probably need to justify the expense and your time away from the office. So, we've put together a Justification Toolkit to help you explain how the return on investment is substantial for attending this training.

- Benefits of Attending
- Tips and Talking Points
- Calculate your Return on Investment (ROI)
- Justification Letter (a letter template you can complete and give your supervisor)

RISE22 reflects the "must have" content for treatment court professionals. It's the one event that brings together judges, law enforcement officials, treatment providers, drug and veterans court coordinators, researchers, celebrities, leading authorities on best practices in adult, juvenile, and veterans substance use treatment, drug court graduates, veteran treatment court graduates, probation officers, attorneys, consumer advocates, and experts in the treatment court field who will provide you with usable answers to your most pressing questions. No combination of other events can equal the quality, scope and value of these four days. Since you've found this page, you probably know for more than 25 years this conference has consistently delivered the best-in-class speakers and content and is recognized as the leading training conference in the treatment court field.

Benefits of Attending

RISE22 includes content for treatment courts of every size and region. You'll gain new tactics, insights, and increased ability to improve the success of your treatment courts.

Five reasons you must attend:

- 1. Exclusive, practical content on topics for every discipline on your team.
- 2. Sessions covering every aspect of treatment courts.
- 3. Direct access to the largest group of experts in the fields of treatment, evaluation, supervision, law, and other issues impacting your program.
- 4. Significant opportunities for peer idea exchanges.

Tips and Talking Points

Here are some tips and talking points that you will want to consider when making your request to attend RISE22 - focus on what you will specifically bring back to the organization as return for the investment.

Prepare

- Be ready with a plan that shows who will cover for you while you are attending RISE22.
- This conference will help build your team, providing a forum for team members to discuss tools, technologies, and processes and how they might apply to improve your treatment court.

Emphasize

- RISE22 offers a comprehensive, time-intensive learning environment. Your attendance will be much more
 cost effective and time-efficient compared to registering for multiple seminars or webinars. Plus, you'll
 minimize the time you are away from the office.
- The conference offers treatment court professionals an unparalleled, world-class education. It provides an in-depth curriculum developed and delivered by the field's most recognized experts.
- Professional development training is critical to prepare employees to take on greater responsibility.
 Attendance at professional development conferences such as this will provide your treatment court with the tools to ensure your program has access to evidence-based solutions for your court and its participants.
- If you are working to obtain or maintain your professional education status, remind your supervisor that the conference offers valuable training hours you can apply towards required continuing education. This conference has been approved for continuing legal education (CLE) credits in most states, judicial education (CJE) credits, substance abuse provider and social work continuing education (CEU) hours. Also, NADCP is a certified provider of education for NAADAC.
- The content is appropriate for courts of all sizes and all regions.
- Vendor contacts and information from the RISE22 Expo.

Share

- Offer to deliver a short presentation and Q&A to your colleagues to share what you've learned. That way, others in your court will get the benefits of your attendance too.
- Share the speaker handouts with your colleagues. As an attendee, you have unlimited access to materials posted by speakers.

Calculate ROI for Attendance (How to justify conference attendance)

[Supervisor's name] [Title] [Company name] [Postal Address] [City, State, Zip]

Dear [Supervisor's name],

I would like to attend the NADCP conference, RISE22, July 25-28, 2022, in Nashville, TN. I believe that attending this conference will benefit me through the education I will obtain and the valuable information I'll be able to share with [insert court/agency name].

NADCP provides training to over 6,000 treatment court professionals annually at its national conference - the largest training conference in the nation addressing substance abuse and crime.

RISE22 is specifically tailored to enhance the skills, leadership, and training of the treatment court team with over 200 cutting-edge sessions, opportunities to connect and learn from colleagues around the world. I will come away educated and energized! RISE22 offers courses for the new practitioner and team members who have been in the field for years. The sessions will be a blend of providing what to watch for now and in the future and practical ways to implement these concerns at a minimal cost. Further, it will help us focus our attention on the highest risk areas, given how stretched our resources are.

Plenary presentations and breakout session topics will include [add topics from your specialty, and benefits specific to your responsibilities]. It is not often that an opportunity comes along for me to go to a conference like this, so I hope that you will approve my attendance. NADCP provides enormous value for the money because the pre-registration fee is only \$795 for NADCP members, \$895 for non-members, and \$595 for international attendees, which includes a daily continental breakfast. I have calculated the costs on the attached expense worksheet for your convenience.

Additionally, this conference will provide me most if not all of my continuing education. [Confirm that your court or organization requires/accepts RISE22 for hours]. RISE22 will offer me a world-class education that is unparalleled in our field.

For the benefits that I expect to derive from this conference, I believe those costs are minimal, and I hope you will support my attendance.

Sincerely,

[Your name] [Title]
