This matter came before the Tillamook County Board of Commissioners on May 31, 2023 at the request of Food Roots. The Board, being fully apprised, finds as follows:

1. Tillamook County farmers, producers, and fisheries produce a remarkable variety of locally grown and raised healthy delicious food which is available to the public all year round.
2. County residents and visitors seek locally grown, produced, and harvested food products for many reasons including good nutrition, to live in a more sustainable way for our environment, and to support our local economy.
3. Our local farmers, producers, and fisheries continue to provide access to fresh fruits and vegetables, dairy, eggs, meats, and seafood that are high quality and high in nutritional value.
4. Tillamook County encourages the growth of local businesses, including farmers, producers, and fisheries and supporting them keeps more consumer food dollars circulating in the local economy.
5. Knowing where your food comes from and who produced it adds to our food security and contributes to healthier lifestyle choices.
6. Eating more foods grown in Tillamook County helps preserve the working landscape and way of life we cherish.
7. Tillamook County strives to ensure all our residents have access to healthy, local food regardless of income.
8. Supporting farmer’s markets, grocers, restaurants, and institutional buyers who support Tillamook County’s local farmers, producers and fisheries also helps contribute to all of the above.

NOW THEREFORE, IT IS HEREBY RESOLVED that:

9. The Tillamook County Board of Commissioners hereby proclaims June as “*Celebrate Local Food Month*” in Tillamook County and encourages all community members to eat local and support local food producers.

Dated this 31st day of May, 2023.
