Dear STVR Administrator:

Let this letter stand as my official request to close the above account and terminate the STVR License at the property identified above. I understand that once closed, the STVR License cannot be reinstated. Should I wish to rent in the future, I would need to re-apply and complete a new application process, including inspection, and comply with the Ordinance 84 provisions in effect. I understand that renting without a valid License is a violation of Tillamook County Ordinance #84.

Thanking you in advance,
