ORTHODONTIC TREATMENT FOR THE ENTIRE FAMILY

As part of your Willamette Dental plan option, orthodontic treatment benefits are available for adults and children. With no waiting periods & a predictable, low copay, you and your family have access to affordable orthodontic care.

Willamette Dental Group, P.C., is committed to providing the quality care necessary for orthodontic treatment. Our licensed Orthodontists meet and maintain high credentialing standards and practice a proactive approach to dentistry, which means you will receive the most appropriate care based on your individual needs. In order to receive these benefits, all treatment must be provided by Willamette Dental Group providers.

In addition to standard braces, we offer Invisalign® treatment as an option for our patients at an additional cost. The suitability of Invisalign treatment for each patient is determined by their Willamette Dental Group orthodontist based on several factors including alignment goals, patient cooperation and current oral health.
