Schedule Subject to Change

Times listed in schedule are approximate, though delays may occur, subject to weather and traffic conditions. In the event of inclement weather, maintenance issues or other emergencies, the Bookmobile may not be able to complete its run. If the Bookmobile is off the road, please return your materials to the nearest county library branch or renew your items. Call the library at (503) 842-4792, check Facebook, Instagram or library website www.tillabook.org for closure information.

Bookmobile materials can also be renewed online by going to the website, www.tillabook.info, and following these steps. Choose “renew and item” form the “How do I” column on the left, and logging in. The TCL library system does not charge overdue fines.

The Bookmobile acts as a traveling branch of the TCL system and stops are open to all patrons to use this library branch. All community stops last one hour. All materials are checked out with a return date of the next scheduled Bookmobile visit to your area, though they can be returned to any Tillamook County branch before the due date.

Engaging young readers is one of the primary missions of the bookmobile, as reflected by our collection. Children often do not have the ability to visit the library on their own, and the bookmobile does it's part by bringing these services to them. This applies to both our school visits and to our town stops.

Requested Materials Pick-up

All materials requested by patrons will be held until the next visit, regardless of date on hold pick-up notice. Please call to make arrangements with staff if you missed your stop.

Homebound Service

The TCL Outreach department offers a Homebound Delivery Service to patrons who are unable to get to the library due to illness, disability, or other impairments. Whether temporary or long term, eligible patrons can receive library materials delivered to their front door twice a month.

To arrange for Homebound Service or request more information, please contact:
