Community Stops

These stops are open to all patrons to use the library. You can get a library card, browse the collection, request materials and learn about the library services. All stops are one hour.

Engaging young readers is one of the primary missions of the bookmobile. Children often do not have the ability to visit the library on their own, and the bookmobile does its part by bringing these services to them. This applies to both our school visits and to our town stops.

Homebound Service

The TCL Outreach department has a Homebound delivery service. Patrons qualify when they are not able to get to the library due to illness, disability or other impairments, whether temporary or long term. Eligible patrons will receive library materials twice a month delivered to their front door.

To arrange service or for more information, please contact Jenn Wells, Library Branch Manager at 503-842-4792 ext. 1709 or email jwells@co.tillamook.or.us.
