Engaging young readers is one of the primary missions of the bookmobile, as reflected by our collection. Children often do not have the ability to visit the library on their own, and the bookmobile does it's part by bringing these services to them. This applies to both our school visits and to our town stops.

### Requested Materials Pick-up

All materials requested by patrons will be held until the next visit, regardless of date on hold pick-up notice. Please call to make arrangements with staff if you missed your stop.

### Homebound Service

The TCL Outreach department offers a Homebound Delivery Service to patrons who are unable to get to the library due to illness, disability, or other impairments, whether temporary or long term. Eligible patrons can receive library materials delivered to their front door twice a month.

To arrange for Homebound Service or request more information, please contact:

Todas las paradas comunitarias duran una hora. Todos los materiales prestados tienen como fecha de devolución la siguiente visita programada del bibliobús a su área, sin embargo, estos también pueden ser devueltos a la sede del Condado de Tillamook antes de la fecha límite.

Como lo refleja nuestra colección, atraer a jóvenes lectores es una de las principales misiones del bibliobús. Generalmente, los niños no pueden visitar la biblioteca por sí solos, por lo que el bibliobús cumple con su parte al llevarles estos servicios. Esto aplica tanto a las visitas escolares como a nuestras paradas en la ciudad.

## Punto de recolección de materiales solicitados

Todos los materiales solicitados por los usuarios serán retenidos hasta la siguiente visita, sin importar la fecha de la notificación de recolección de materiales solicitados. Por favor, llame para ponerse de acuerdo con el personal si usted se ausentó a su parada.

## Servicio para personas confinadas en casa

El departamento de extensión de la TCL ofrece un servicio de entrega para usuarios y personas confinadas en casa que no puedan ir a la biblioteca debido a enfermedad, incapacidad u otros impedimentos, ya sea de manera temporal o a largo plazo. Los usuarios que cumplan los requisitos pueden recibir materiales de la biblioteca en la puerta de su casa dos veces al mes.

Para coordinar el servicio para personas confinadas en casa o pedir más información, por favor, contacte al:

## ¿Por qué hay tantas visitas escolares?

El bibliobús desempeña un papel importante al fomentar el amor por la lectura en el condado. Estas visitas ofrecen horas de cuentos, instrucción de habilidades de alfabetización, así como colecciones de materiales para apoyar el aprendizaje en el aula. Ubicaciones de las escuelas:
