Tillamook OR 97141

TILLAMOOK COUNTY LIBRARY BOOKMOBILE

2025 Summer Schedule

"Books- The Portable Adventure"

The Bookmobile at the County Fair

Community Stops

The Bookmobile acts as a traveling branch of the TCL system. Stops are open to all patrons for library services. All materials are checked out with a return date of 4 weeks, or the next scheduled Bookmobile visit to your area. If you ask for specific items, they'll be held for you until the Bookmobile returns, even if you get a notice saying your hold is ready for pickup before then.

All Bookmobile town stops offer access to library materials and services as well as a simple craft, and a short storytime. During the summer, access to summer reading and program materials will be available.
