As the Tillamook County Library system completes the final year of our five year Futures Plan, we are pleased to provide the community with a report card highlighting our progress.

A SUMMARY OF OUR PROGRESS IN 2019 - 2020:*

Goal One:

All residents are aware of and use the library.

- Your library circulated 138,481 items, an average of over five books checked out by each man, woman and child in Tillamook County.
- The number of library cardholders increased by 3.5%. Over 88% of Tillamook county residents are library cardholders.
- Attendance at library programs and events averaged almost 1,050 participants each month.

Goal Two:

Residents experience a library that is convenient, easy to use, and rewarding.

- When surveyed, 92% of county residents agreed or strongly agreed that the library is easy and convenient to use.
- Thanks to the generosity of private donors, work continues on Maxwell Library Park, which is adjacent to the Tillamook Main Library.

Goal Three:

Residents recognize that they get good value for the dollar.

- When surveyed, 97% of respondents agreed or strongly agreed that the library provides good value to our community.
- Similarly, 94% of county residents surveyed agreed or strongly agreed that they are satisfied with the services provided by the library.

Goal Four:

Residents and community members know the library is a valuable resource and active partner in helping improve the quality of life in Tillamook County.

- In the library's annual community survey, 96% of respondents agreed or strongly agreed that the library helps build a better community through learning and knowledge.
- Your library has active partnerships with a wide range of other community organizations. In 2020, we partnered with the Tillamook County Sheriff's Office/Emergency Management to distribute thousands of masks to local businesses during the COVID-19 pandemic.

*Results reported from the library's most recent fiscal year (July 1, 2019 - June 30, 2020).
