

Welcome Back Inside Your Libraries!

Introducing Library Express...

The Tillamook County Libraries have entered the next phase of reopening with Library Express. Think about the grocery store express line and you will get the idea. You come in, grab your items, check them out, and leave with an armful of wonderful books and DVDs. It's pretty simple, but we have implemented a few rules to keep everyone safe.

Here is what you need to know...

Library Express service is available at all Tillamook County Libraries for 15 minute visits.

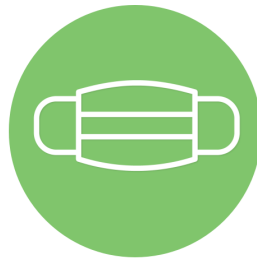

Tillamook Library
Open Monday - Friday
9:00 AM - 5:00 PM
Branch Libraries

No Trick or Treats For Us This Year...

We always love handing out treats to our visitors on Halloween but we will not be participating this year to avoid overcrowding in the library.

Instead, watch for a special promotion coming later in the year where we will treat kids with free books!
