

Greetings from the Tillamook County Library

Back to Curbside Pickup

After more discussion with county leadership, the decision has been made to revert to curbside pickup only, effective Nov. 19th, 2020. We will not be open for short in-person visits. You can pick up your books Monday through Friday between 9am and 5pm at the Tillamook Library, or from 12 to 5pm at a branch. Place holds using the online catalog, or call us at 503-842-4792 ext 1 and we can grab books for you. We know this is last minute, and we'd really love to help you in any way we can. This will be effective for at least the 2 week freeze.

We know times are stressful. We feel it too, and we'll miss seeing you. But we also know escaping to a new world in a book can help us cope and bring wonder. We can help you learn a new skill at home to make quarantining more fun. We can provide that favorite feel good movie, or some new music to help you relax. Please reach out--we would love to help.

A Reminder About Our Streaming Services

This would be a great time to try out our many digital offerings...

[Hoopla](#) allows you to check out e-books, audio books, music, movies and more!
[Kanopy](#) offers high quality streaming films...foreign films, documentaries and many other choices. [Flipster](#) is our source for reading the most popular magazines on your smart phone, tablet, or computer. Click on the logos above to redirect to these excellent products...FREE with your library card!

Stay tuned for updates!
