Gratefully accepting all donations, especially children's books!

¡Nuestros nuevos libros están aquí!

Hace poco les anunciamos la oportunidad que tuvimos de comprar algunos libros nuevos en español en la Feria del Libro de Guadalajara. Bueno, la Feria fue en noviembre, ¡Y nuestros nuevos libros llegaron en enero! Recibimos 80 libros nuevos de la feria y nos divertimos mucho abriendo las cajas de libros. Recibimos nuevos libros para niños y

adultos, tanto en ficción como en no ficción. ¡Todos los libros están listos para ser prestados! Incluso puede ingresar a la "Guadalajara Book Fair" en nuestro catálogo en encore.oceanbooks.org para ver qué títulos provienen de la feria. Algunos de mis libros favoritos eran libros nuevos para niños con hermosas ilustraciones sobre temas como el espacio exterior, los países del mundo o el cuerpo humano. Esperamos que puedan venir pronto a tomar prestado uno de los nuevos títulos.

Además, es hora de leer en verano!

Los niños pueden seguir aprendiendo durante todo el verano y ganar premios leyendo. Tenemos programas para niños hasta los 12 años y adolescentes también. Venga a la biblioteca para registrarse y recoger un calendario de eventos especiales de verano.

Library Park Given BIG Boost by TURA

Construction of the Library Park moved from concept to reality when the Tillamook Urban Renewal Agency (TURA) Board, at their May 8 meeting, unanimously approved a grant of \$49,750 for Phase One. The grant monies are earmarked for sod removal, site preparation, a retaining wall around the Atlas cedar, pavers, planter preparation, and installation of a water feature. North Coast Lawn submitted a comprehensive proposal for the work. The Foundation Board, at their May meeting, accepted this proposal. Terry Phillips, North Coast Lawn owner, is confident that the work can be completed by the end of the year. An exciting summer lies ahead as the Park takes shape.

Welcome to Sayde Walker!
