Librarian Bobbye Hernandez is starting a conversation club! If you are learning English and would like a place to practice, come to the Tillamook Library every Thursday in April and May at 5:30pm. The club will be informal and friendly, and registration is not required. We will provide conversation starters for this free event. (Practica hablar inglés con otros estudiantes de ESL y nuevos hablantes de inglés en un grupo informal y ambiente amistoso. Travelogue Programs at Manzanita

The Manzanita Library will be hosting two travelogue programs in the month of April taught by Mr. Bill Landau. The first program will be on getting around Europe by rail, and will begin at 6:30pm on Thursday, April 10th. The second program, on Thursday April 24th, will take us to the bottom of the Grand Canyon. Whether you are planning a trip of your own or just like to live vicariously, Mr. Bill has gorgeous photos and funny anecdotes to share. Join us at Manzanita for this free event.

Saturday Music Program returns

The regular group is back for live music at the Tillamook Library, and they will perform every Saturday in April from 2-4pm in the community rooms. Stay for part or stay for the whole thing—it's free!

Seed Library is up and running!

Many of you have already stopped by to grab some seeds, but if you have not yet planted your garden, come to the library! Every branch has vegetable and flower seeds to 'check out.' Please limit to 10 packets per season, and bring back some seeds to share in the fall. It's that simple!

Salmon Release at Bay City Library

Each year, the Bay City Library helps to hatch 200 salmon eggs in an aquarium at their library. Visitors are always excited to take a peek in the tank to check on the fish's progress. The salmon were released into a local stream on Saturday, March 29th. About 35 people came to help release the salmon into the wild, giving them the chance to witness the life cycle of a salmon in an up close and personal way. Here we see Annalise Moran releasing her four fish. Despite the wet weather, everyone had a great time!
