

### Flowers Sprouting at Garibaldi Library

If you need a little smile in your day, stop by to see the new hallway painting at the Garibaldi Library. Tillamook painter Betty

Rolston volunteered to create a field of flowers in shades of red, orange, green and yellow, spending 22 hours on the project. Library employee Norma Johansen says visitors are in for a treat. "It used to be just a long corridor with yellow paint," says Norma. "But now it just makes you feel happy to enter." The Garibaldi Library is located at 107 6<sup>th</sup> Street at the Garibaldi City Hall location. They are open every day except Sunday and their phone number is 503-322-2100.

### Alaska Night Readings at Tillamook Library

Please join us on Wednesday, August 13<sup>th</sup> at 7pm at the Tillamook Library for a

program all about Alaska! Join local authors Nancy Slavin and Dan Berne as they read selections from their novels, both set in Alaska. They will also discuss the writing process. This is a free program and is open to the public.

### Headphone changes at Tillamook

If you would like to listen to music or watch a video while using the public computer terminals at the Tillamook Library, it is now best to bring your own headphones with you. A limited number of headphones will

be available for use at no cost during the month of August as we transition. We will also have earbuds available for sale for \$1.25. Please bring your own, and then you won't have to worry about who used them before you!
