#### Bay City Library raising Salmon

The Bay City Library is currently home to several hundred tiny salmon. The Bay City Library works with the Oregon Department of Fish and Wildlife to hatch these salmon eggs in an aquarium at the library. Once they are large enough, the salmon will be released into local streams. The public is invited to help release the fish on a date to be determined. Stop

by to check out their progress!

## Get to know the Marion Barr Library in Bay City

The residents of Bay City have a long history of enjoying a library in their little community. In fact, it was over ninety years ago that the first little library opened on C Street. It was run by volunteers and depended entirely on donations. In 1947 the library became an official branch library in Tillamook County.

The next big move came 50 years ago when the residents of Bay City voted to build a library annex onto the current city hall. They opened on April 1, 1964 and it remains an important part of the community today. In

1985, the library was renamed the Marion Barr Library in appreciation of Ms. Barr who had been a long-time librarian since 1966.

Today, area residents see Debby Riley at the front desk with the library being open Tuesday through Saturday each week. Debby says the community is very thankful to have the convenience of a library branch in their town. In addition to a weekly storytime program on Thursdays, the library also offers internet access on three public computers and free Wi-Fi access to those with their own devices.

If you haven't been to the library in Bay City recently, please stop by soon!

### Visit the Bookstore!

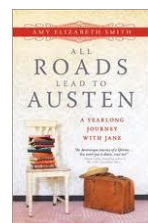

The Corner Bookstore is run by the Tillamook Library Foundation, with all proceeds benefiting the Tillamook Library. The store is staffed by dedicated volunteers. If you would like to volunteer at the bookstore please call 503-842-4792. The bookstore is open from 11am to 3pm Monday through **Saturday**.

The Corner Bookstore sells books, CD's and movies on everything from sports to crafts to poetry. They also have a small section of books you can pick up absolutely free! You'll find something for everyone.
