

Summer Reading—Last Day Sept. 1

Summer Reading is winding down, but there are still plenty of activities for everyone to enjoy at all of our library branches. Kids can look forward to the Dragon Theater Puppet Show on August 23rd, teens have the zombie prom party on August 16th, and the adults always enjoy the mushroom program held this year on August 25th. There are also many programs at every branch. Please check the second page for a complete list. **Saturday September 1st** will be the **last day** to turn in reading logs to obtain prizes. No Reading logs will be accepted after this date!

Learn to Grow Monkey Puzzle Trees

Local gardener Barbara Brown will present a program on growing Monkey Puzzle Trees at the Tillamook Library on Monday, August 20th, at 6:30pm. Barbara is the owner of local nursery Monkey Business 101 in

Cloverdale and has been involved in growing Monkey Puzzle trees since 2001. The Monkey Puzzle tree is native to Chile and is also known as the Chilean Pine tree. Barbara opened her business to help ensure the species survival after forest fires destroyed ancient wild forests in Chile. The trees grow well in our coastal climate, and she'll give you all the tips you need to make sure your new tree will stay healthy. The trees even produce edible seeds similar to pine nuts, and once established, a tree can live up to 1000 years. Come and see this unique plant for yourself and enjoy learning a little something new with our Adult Summer Reading program.

Mushroom Program on August 25

Fall is the perfect time to hunt for mushrooms in the Pacific Northwest, and if you've never tried it before, let Park Ranger Dane Osis show you how.

Dane is a ranger at Fort Stevens State Park with years of experience hunting for and identifying mushrooms. He'll present a program on Saturday, August 25th, from 11am to 1pm. While he won't reveal *all* of the best hiding spots, he will give you advice on where to look, what kinds of mushrooms grow in our local area, and the best times to find the new crops. This program is always popular, so come early to get your spot.
