The Portland Guitar Duo

The Tillamook County Library invites one and all to enjoy a special performance of The Portland Guitar duo on Thursday, January 6, 2011 at 7pm.

The Portland Guitar Duo has been performing since 1999. James Manuele is a guitar instructor at Clark College in Vancouver and at Concordia College in Portland. Foti Lycouridis also performs in the Geminus Guitar Duo, an ensemble specializing in historical guitar performance. They have performed together in numerous venues throughout the United States as a duo team, as soloists with chamber ensembles and in appearances on radio and television.

Their repertoire covers the renaissance, baroque, classical, romantic and 20th century periods and selections range from classic guitar duet favorites to some unique literature for lute and guitar and 2 "prepared" guitars. The duo performs classical and romantic literature on original, authentic guitars from the 1800s that have been restored to playing condition. In 2007 they were featured on OPB's Oregon Art Beat series. Their concert programs showcase their refined touch and dynamic energy.

The performance will be held in the meeting room at the Tillamook County Library. Light refreshments will be served. Please call (503) 842-4792 for additional information.
