

## Home for the Holidays?

### Stock Up On Good Books Today!

With Christmas around the corner and the kids on school break, now is the perfect time to choose a book to read aloud as a family! We know this is a Christmastime tradition for many of you already, and we'd love to help you choose a book or start a new tradition. Miss Melanie has so many great books for you on the table in the kids room!

## Check Out a WiFi Hotspot!

### What is a WiFi Hotspot?

You can now check out and take home a hotspot to create an internet connection that can connect to your own devices. Using the T-mobile network, the hotspot can turn that cell phone signal into a WiFi signal that works with your smartphone, tablet, laptop, and other WiFi capable devices.

To reserve your hotspot, please call your local library and a staff member can help you place one on hold. You must have a library card to check one out.

To use, your location needs to be within cell phone tower range. You do not need to own a cell phone.

There is no cost to you for data used. If the items are lost or damaged, you may be charged fees.

Instructions for use are included with the hotspot.

## Bookmobile Back in Business!

### Keep On Rolling...

Thanks to excellent maintenance by the school bus barn, the bookmobile usually runs smooth as can be. But when the dreaded "check engine" light comes on, that usually means something more serious. That's when we call Tillamook Diesel. They were able to diagnose and fix our recent problem that had kept us off the road for a few days!
