

Happy July from Tillamook County Library!

Libraries Closed Monday, July 5

Because July 4 falls on a Sunday this year, county offices, including Tillamook County Libraries, will be closed on Monday, July 5. We will reopen with regular hours on Tuesday!

Read below about the exciting changes we are making to relax some of the COVID restrictions that were in place!

Getting Closer to Normal @ Your Library!

We've Brought Back the Furniture!

But that is just the tip of the iceberg! In accordance with the Governor's repeal of the set of executive orders that placed COVID-19 restrictions on Oregonians, we are taking steps to get back to normal.

First of all, masks are no longer required to enter the library. You are MORE than welcome to continue to wear masks, in fact, we would encourage it. We just ask that staff and patrons remain respectful of personal space.

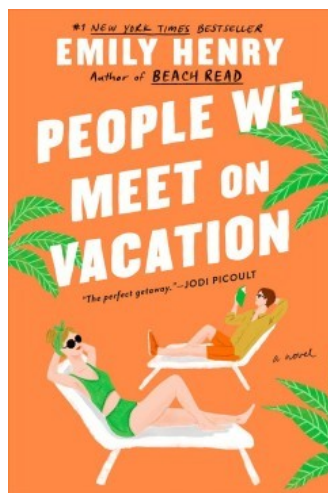

Time limits inside the library are now a thing of the past. You can now browse to your heart's content. You can also get a full hour of computer time on our public computers, or continue to use our WIFI signal 24 hours per day. We are not quite ready to offer public programs yet, but we are working on that step and expect to resume in the Fall. Before too long, you will be able to use our community rooms for your own meetings as well. Call the library if you would like more details. Bit by bit, we are getting closer to the way things were pre-COVID. We are working now to hire and train more staff so we can expand our hours. Watch for details!

What should you do with your unwanted and expired medication? The Library can help!

If you have expired or unwanted medicine, proper disposal is important...you should never throw it in the trash or flush it! But thanks to a new partnership, the library can help you dispose of expired meds safely and easily. All six of our libraries and the bookmobile are now stocked with envelopes you can use to pack up your expired or unwanted medications and get them disposed of properly. Stop by your branch of the Tillamook County Library today and ask for your mail-back package!
