

## Almost Summer...at Your Library

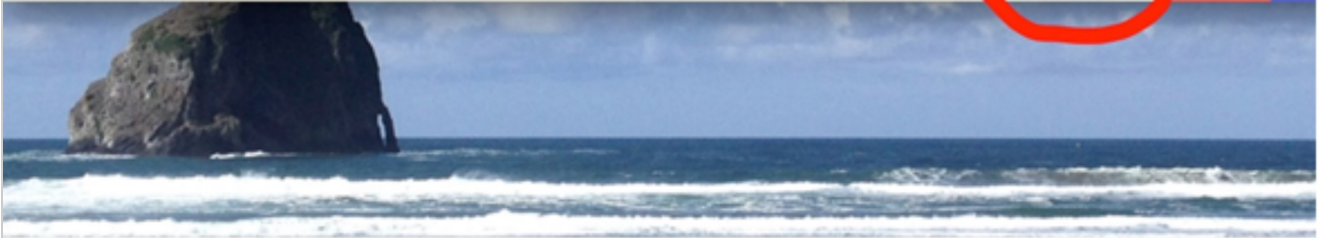

### Reading Colors Your World!

What would summer be without the annual Summer Reading Program at the Tillamook County Library? We hope we never find out! Even though COVID has turned our regular routine upside-down, our librarians have come up with an amazing set of plans so patrons of any age can participate...and win some cool prizes along the way!

Summer Reading starts on June 14 so stay tuned for the next newsletter which will contain complete details on how to participate.

## How Do You Get the Newest Books and Videos?

Lots of people wonder how they end up so far down on the "wait list" for popular new books and movies. The answer...you just need to know the tricks of the trade. The best way to see the new items is to visit our website ([www.tillabook.org](http://www.tillabook.org)) and then click on the "New Items" tab (see red circle in photo below). Then you can browse any genre you are interested in and see what has been recently cataloged or is currently in process. If you see a title you like, put your name on the list and wait for the notification that it is ready for you to pick up. Easy-peasy!
