

Changing Seasons at Your Library

Mark Ye Calendars!

September 19 is International Talk Like a Pirate Day and you can prep for this fun event by practicing your pirate phrases on our [MANGO LANGUAGES](#) app. You can still learn 70 other practical languages, but just for fun, we have thrown in "pirate language"! Avast ye! Ahoy, Matey! Shiver me timbers! And a whole lot of other fun phrases that are sure to put a swagger in your step and a parrot on your shoulder!

New Take-Home Craft Available!

Pick up a kit from your local library and make your own paper lantern.

While supplies last.

Please visit any of our libraries for what we call Library Express service. You can come in for 15 minutes to pick out your books, print a document, or just to say hello! Masks are required to enter. We would love to see you in the library. HOWEVER, if you would prefer to have curbside service, please call the branch of your choice and we will be happy to accommodate you!

Tillamook County Library
