

TCL Tillamook County Library

Let's play an acrostic word game with the word **TILLAMOOK!** What does each letter in Tillamook stand for?

The letter T stands for Tillamook Library Foundation!

Let's jump right in with the letter "T", which stands for the [Tillamook Library Foundation](#). This very important group, quite separate from the Library Board, works hard to support many various needs of the library. The Foundation runs the library bookstore and is currently working on a large project of building the library park. Because of the huge scope of the project, the Foundation is biting it off in chunks as funds are raised to get the job done.

The next three letters, ILL, stand for InterLibrary Loan...

In library jargon, ILL stands for InterLibrary Loan. What does that mean? As you can imagine, we don't have room in our libraries for every book ever written or every DVD title. So, if you can't find what you are looking for in our library catalog and you really would like to get your hands on that item, we will try our best to find it for you at another library location! We have borrowed books

and movies on behalf of our patrons from libraries across the country. [Click here to make a request!](#)

A stands for Audio Books!

The letter A stands for audio books, both books on CD and the downloadable audiobooks we offer. Not everyone has the luxury of being able to sit down and read any time they want. And not everyone has the patience to sit and read. But almost everyone has time spent driving in a car, and you would not believe how quickly time flies when you are listening to a book during your commute.

M is for Meeting Rooms!

We all know public spaces to meet with a group are hard to find in Tillamook County. That is why we are so excited that we are now taking reservations for our community meeting rooms! Just give us a call at 503-842-4792 to see if we can reserve a room for you!

The first O stands for Online Resources! The second O stands for The Oregonian Online!

The first of the two O's in Tillamook stand for [online resources and databases](#). We have lots of sources you can use from the comfort of your own home that allow

you to learn things such as how to repair your car, research health issues, study genealogy, and so much more. The other O is for The Oregonian newspaper.

[You can read the online Oregonian by logging in on our website.](#)

And finally, K stand for Kanopy!

Kanopy is our database that allows you to check out and watch classic films right from your computer. Similar to Netflix, but full of classic cinema, indie films, and documentaries...all free with your library card.

[Just click here!](#)

That's it! Thanks for reading and we hope to see you in the library very soon!
