

Something New at the Bay City Library

A Sweet Seat!

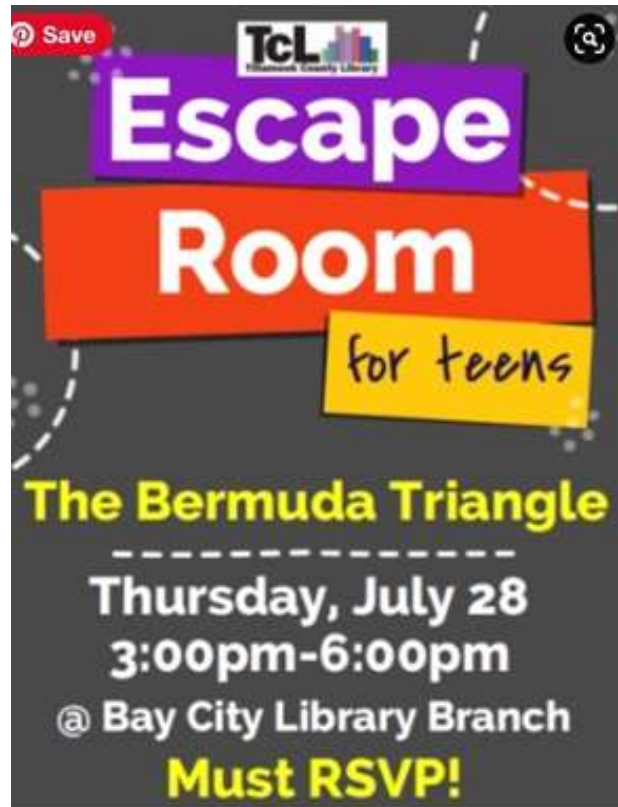

We want to give a big shout out to the Bay City Boosters for all they do for the library and community! Recently, the Bay City Boosters noticed the bench outside the Bay City Library was looking a little worse for wear and leapt into action. They purchased a beautiful and comfy new bench for the library and coordinated with Bay City Public Works to have it installed. Come visit the new library bench and try it out!

Also at Bay City this Week...

Can you escape the Bermuda Triangle? Are you sure? Then get ready for a super fun escape room experience!
