

# Welcome to June!

## New Service...Auto-Renewals!

### Worried About Returning Books Late?

Worry no more! As long as there is not a waitlist for the items you have checked out, our system will automatically renew your checkouts one time for you! Books will renew for two more weeks and DVDs will be extended for one week. As usual, if someone is waiting for any of your items, renewal or auto-renewal will not work for that item.

*So, there is one less thing to worry about now!*

## Notice Something New on Your Checkout Receipt?

### You Saved \$70.00 With Your Library Card Today!

Take a look at your receipt next time you check out items at your local library. We have added a new feature that adds up the value of the items you check out so that you can easily see how much the library saves you. It can really add up over time! *(This feature does not work on the self-check machines, but it is automatically added at all front desk checkouts.)*
