## New Arrivals

**Blackwater**

by Jeannette Arroyo

Tony Price is a popular high school track star and occasional delinquent aching for his dad's attention and approval. Eli Hirsch is a quiet boy with a chronic autoimmune disorder that has ravaged his health and social life. What happens when these two become unlikely friends (and a whole lot more . . .) in the spooky town of Blackwater, Maine? Werewolf curses, unsavory interactions with the quarterback of the football team, a ghostly fisherman haunting the harbor, and *tons* of high school drama.

### ***The Batman & Scooby-Doo mysteries. Vol.1***

by Ivan Cohen

It all starts when Batman discovers his original purple gloves are missing —Velma, Shaggy, and Scooby-Doo will have to go back in time to solve the case! And when a ghost starts haunting the Batcave, there's no one like Scooby-Doo and Mystery Inc. to help Batman get to the bottom of it! Even if the ghost turns out to be fake....how did someone get into the Batcave to create a phony phantom?
