Gideon Freudmann

Gideon Freudmann's music is a unique, improvisational blend of classical, blues, jazz, electronic, funk and folk. In his performances, Gideon uses an electric cello to riff imaginatively on musical conventions and traditions. At times atmospheric and often playful, his signature sound exists in its own unique dimension: nuanced, intricate and fun!

New Arrivals in Fiction

Just Another Missing Person

Gillian McAllister

22-year-old Olivia has been missing for one day...and counting. She was last seen on CCTV, entering a dead-end alley. And not coming back out again. Julia, the detective heading up the search for Olivia, thinks she knows what to expect. A desperate family, a ticking clock, and long hours away from her husband and daughter. But she has no idea just how close to home this case is going to get. Because the criminal at the heart of the disappearance has something she never expected. His weapon isn't a gun, or a knife: it's a secret. Her worst one. And her family's safety depends on one thing: Julia must not find out what happened to Olivia--and must frame somebody else for her murder.

Gone Tonight

Sarah Pekkanen

Catherine Sterling thinks she knows her mother. Ruth Sterling is quiet, hardworking, and lives for her daughter. All her life, it's been just the two of them against the world. But now, Catherine is ready to spread her wings, move from home, and begin a new career. And Ruth Sterling will do anything to prevent that from happening. Ruth Sterling thinks she knows her daughter. Catherine would never rebel, would never question anything about her mother's past or background. But when Ruth's desperate quest to keep her daughter by her side begins to reveal cracks in Ruth's carefully-constructed world, both mother and daughter begin a dance of deception. No one can know Ruth's history. There is a reason why Ruth kept them moving every few years, and why she was ready--in a moment's notice--to be gone in the night. But danger is closing in. Is it coming from the outside, from Ruth's past? Is Ruth reaching a breaking point? Or is the danger coming from the darkness that may live in Catherine, herself?

I Know What You Did

Cayce Osborne

When her name appears on the dedication page of an anonymously written thriller, Petal Woznewski discovers the story is rooted in a secret she buried 30 years earlier involving the tragic death of her friend and must solve this mystery before her life ends as tragically as in the novel.
