## Author David G. Lewis Visits Tillamook!

Join author David G. Lewis at the Tillamook Main Library on Saturday, May 25th at 3:00pm!

David is an Assistant Professor of Anthropology & Ethnic Studies at Oregon State University, a member of the Confederated Tribes of Grand Ronde, and has been researching and documenting original histories of the peoples of Oregon and California for over 20 years. David will be discussing his book, **Tribal Histories of the Willamette Valley**, which is about: "The Willamette Valley is rich with history-its riverbanks, forests, and mountains home to the tribes of Kalapuya, Chinook, Molalla, and more for thousands of years. This history has been largely unrecorded, incomplete, poorly researched, or partially told. In these stories, enriched by photographs and maps, Oregon Indigenous historian David G. Lewis combines years of researching historical documents and collecting oral stories, highlighting Native perspectives about the history of the Willamette Valley as they experienced it. The timeline spans the first years of contact between settlers and tribes, the takeover of tribal lands and creation of reservations by the US Federal Government, and the assimilation efforts of boarding schools. Lewis shows the resiliency of Native peoples in the face of colonization. Undoing the erasure of these stories reveals the fuller picture of the colonization and changes experienced by the Native peoples of the Willamette Valley absent from other contemporary histories of Oregon."

You're not going to want to miss it!

## New Arrivals in Audiobooks

### [Godzilla x Kong: the new empire](#)

**Greg Keyes**

This time the almighty Kong and the fearsome Godzilla face a colossal undiscovered threat hidden within our world, challenging their very existence, and our own. The latest epic delves further into the histories of these Titans, their origins, and the mysteries of Skull Island and beyond, while uncovering the mythic battle that helped forge these extraordinary beings and tied them to humankind forever.

## The Familiar

### Leigh Bardugo

In a shabby house, on a shabby street, in the new capital of Madrid, Luzia Cotado uses scraps of magic to get through her days of endless toil as a scullion. But when her scheming mistress discovers the lump of a servant cowering in the kitchen is actually hiding a talent for little miracles, she demands Luzia use those gifts to better the family's social position. What begins as simple amusement for the bored nobility takes a perilous turn when Luzia garners the notice of Antonio Pérez, the disgraced secretary to Spain's king. Still reeling from the defeat of his armada, the king is desperate for any advantage in the war against England's heretic queen, and Pérez will stop at nothing to regain the king's favor. Determined to seize this one chance to better her fortunes, Luzia plunges into a world of seers and alchemists, holy men and hucksters, where the lines between magic, science, and fraud are never certain. But as her notoriety grows, so does the danger that her Jewish blood will doom her to the Inquisition's wrath. She will have to use every bit of her wit and will to survive, even if that means enlisting the help of Guillén Santángel, an embittered immortal familiar whose own secrets could prove deadly for them both.

## [The Women](#)

### **Kristin Hannah**

When twenty-year-old nursing student Frances "Frankie" McGrath hears these unexpected words, it is a revelation. Raised on idyllic Coronado Island and sheltered by her conservative parents, she has always prided herself on doing the right thing, being a good girl. But in 1965 the world is changing, and she suddenly imagines a different choice for her life. When her brother ships out to serve in Vietnam, she impulsively joins the Army Nurse Corps and follows his path. As green and inexperienced as the men sent to Vietnam to fight, Frankie is overwhelmed by the chaos and destruction of war, as well as the unexpected trauma of coming home to a changed and politically divided America.
